No Concessions.

The management of the Etina-Standard mills yesterday refused to make any concessions whatever to the miners employed by that company. The conference consisted of Manager Caldwell, of the mill, and Vice President Thomas, of the state miners' association, Sherman Glasgow, of Bellair, and a committee from the local miners.

Getting Uniforms.

A fairly well attended meeting of the new military company to be attached to the First regiment, National Guard of West Virginia, was held last evening at Egerton hall. A number of them had measures for their uniforms taken and many more will be measured to-day. The company bids fair to become a crack organization and it will make a good showing at the annual encampment, which will commence July 26 and continue for six days.

A Big Success.

A grand success was the excursion and picnic given by the English Lutheran Sunday school yesterday. A special train left Bridgeport over the Cleveland, Lorain &amp; Wheeling railroad with over 350 persons for Maple Grove, near Flushing, where the day was spent. The Flushing people suspended business generally to attend the picnic and to welcome the strangers. This is by far the largest Sunday school excursion held for some time, and bids fair to give the school the reputation it formerly had of having the best picnics. The management desire to thank Messrs. Jolly and Loftis, of the street railway, and the officials of the Cleveland, Lorain &amp; Wheeling railroad for the special care and management in handling the crowd.

As a blood-purifier, the most eminent physicians prescribe Ayer's Sarsaparilla. It is the most powerful combination of vegetable alteratives ever offered to the public. As a spring and family medicine, it may be freely used by old and young alike.

Positively the most remarkable novelty of the age. Gem Soda Water made instantly if you have the ice water. Ask your dealer for it.

Do not ruin the comfort of your home by attempting to bake during the hot summer months. The Wheeling Bakery has made enormous reductions in the price of bread by greatly increasing the size of the loaves. You can buy this excellent bread from your nearest grocer almost at the cost of flour. Their latest product is "Big Bonanza" bread. These are the largest loaves ever offered in this city for 10 cents. Ask for this variety and you will find it just what you want. A tin seal on every loaf.

Pleasant breezes, magnificent views, elegant swings and the finest of drives can be had by visiting Mozart Park.

## TO-DAY'S CONVENTION.

The Republicans of Ohio County will meet at 3 p. m.

## TO NOMINATE FOUR LEGISLATORS

And a Criminal Court Judge—The Arrangements Made by the Committee—The Probable Outcome—The Fine new Park Casino the Scene of the Interesting Gathering.

At 3 o'clock this afternoon the Ohio county Republican convention will meet in the new Casino at Wheeling park. It is an ideal place for such a gathering, and the general public, without regard to party, is invited to be present and watch the proceedings. The city delegation will go out at 2 o'clock on the Wheeling & Elm Grove road. The fare for the round trip, including admission to the park, will be 25 cents. Amid the cool breezes of the park the proceedings should be harmonious and enjoyable.

The convention will be called to order at 3 o'clock by Chairman Hall, of the county committee, who will name James P. Maxwell as temporary chairman and John W. Kindleberger as temporary secretary. The work of the convention is to nominate four members of the house of delegates and a judge of the criminal court. The county representatives will also nominate a candidate for county superintendent of schools. After the convention the newly chosen county committee will meet and organize.

In addition to those named for members of the house, already mentioned in the INTELLIGENCER, Mr. Alex. Babout has in the past few days had quite a boom. Some of his friends secured his promise to accept if nominated, and have since been pushing his candidacy vigorously. This makes almost a score of names mentioned for the four places on the ticket. Among them are many good, strong candidates. S. G. Smith claims one of the nominations, chiefly because of the fact that he ran once before. The indications seem, however, to point to the nomination of Abram Stamm, a well known and popular glass worker and a staunch Republican, and of Mr. H. F. Behrens, the leading South Side business man, beyond a question. Joseph C. Brady is one of the strongest candidates, and Mr. Myron Hubbard or Mr. Alex. R. Campbell may either of them be on the ticket if he can get the solid support of Madison district.

W. F. Peterson, Captain Rawling, Mr. W. B. Simpson and other candidates would help to make a strong ticket if circumstances led to their choice, which is not unlikely to happen.

For criminal judge Mr. T. J. Huges seems to have a strong lead. His only opponent is T. M. Garvin. The convention bids fair to be short, but interesting. It has been a long time, indeed, since so deep and general an interest was manifested in a convention the outcome of which involved so few nominations. All the delegates will go there with an eye single to the best interests of the party, and the result ought to be a winning ticket.

The Ladies.

The pleasant effect and perfect safety with which ladies may use the California liquid laxative, Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the package.

The best newspaper is the best of all small investments. The Pittsburgh Dispatch fills the bill.

A PLEASANT time is assured to all who attend the Sacred Concerts at Mozart Park on Sunday. Refreshments of all kinds served.

In Gem Soda Water you have the most pleasant drink ever invented. No trouble to make it. Pour ice water over the powder and in a few seconds you have your delightfully flavored drink. All dealers sell it.
